A hospitality stapled group comprising:

Far East Hospitality Real Estate Investment Trust

(a real estate investment trust constituted on 1 August 2012 under the laws of the Republic of Singapore)

Far East Hospitality Business Trust

(a business trust constituted on 1 August 2012 under the laws of the Republic of Singapore)

INTRODUCTION OF DISTRIBUTION REINVESTMENT PLAN AND GRANT OF WAIVER FROM RULE 862(5) OF THE LISTING MANUAL

1. INTRODUCTION OF DISTRIBUTION REINVESTMENT PLAN

FEO Hospitality Asset Management Pte. Ltd. (the "**REIT Manager**"), as manager of Far East Hospitality Real Estate Investment Trust ("**Far East H-REIT**"), and FEO Hospitality Trust Management Pte. Ltd. (the "**BT Trustee-Manager**", and together with the REIT Manager, the "**Managers**"), as trustee-manager of Far East Hospitality Business Trust ("**Far East H-BT**"), wish to announce the establishment of a distribution reinvestment plan ("**DRP**"), pursuant to which stapled securityholders of Far East Hospitality Trust ("**Far East H-Trust**", and the stapled securityholders of Far East H-Trust, "**Stapled Securityholders**") may elect to receive fully-paid new stapled securities in Far East H-Trust ("**Stapled Securities**") in lieu of part only or all of the cash amount of any distribution to which the DRP applies (the "**Distribution**"), subject to the terms and conditions of the DRP. The statement containing the terms and conditions of the DRP (the "**DRP Statement**") is attached in the Appendix to this Announcement.

The DRP may be applied from time to time to any distribution declared by Far East H-Trust as the Managers may determine in their absolute discretion. Participation in the DRP is optional and Stapled Securityholders may elect to participate in respect of all or part of their stapled securityholdings. Unless the Managers have determined that the DRP will apply to any particular distribution, the distribution concerned will be paid in cash to Stapled Securityholders in the usual manner. The DRP may, at the discretion of the Managers, not be offered to Overseas Stapled Securityholders (as defined in the DRP Statement).

In connection with the allotment and issuance of new Stapled Securities under the DRP, applications will be made to Singapore Exchange Securities Trading Limited (the "**SGX-ST**") for the listing and quotation of the new Stapled Securities on the Main Board of the SGX-ST at the relevant time.

The DRP provides Stapled Securityholders with an opportunity to elect to receive distributions in the form of fully-paid new Stapled Securities, instead of cash. This will enable Stapled Securityholders to increase their stapled securityholdings in Far East H-Trust without incurring brokerage or other transaction costs. Far East H-Trust will also benefit from the participation by Stapled Securityholders in the DRP as, to the extent that Stapled Securityholders elect to receive distributions in the form of new Stapled Securities, the cash which would otherwise be payable by way of cash distributions may be retained to fund the growth and expansion of Far East H-Trust. The issue of new Stapled Securities in lieu of cash distributions under the DRP will also enlarge Far East H-Trust's capital base and the cash retained thereof will strengthen its working capital.

The Managers will make an announcement whenever they decide to apply the DRP to a particular distribution, and such announcement will contain, among others, (a) the procedures, timeline and other relevant details in relation to the application of the DRP to such Distribution; and (b) details on whether Far East H-Trust is relying on a general mandate or specific Stapled Securityholders' approval for the issue of new Stapled Securities under the DRP.

2. WAIVER FROM RULE 862(5) OF THE SGX-ST LISTING MANUAL

In addition, the Managers wish to inform Stapled Securityholders that the SGX-ST has granted Far East H-Trust a waiver (the "**Waiver**") from complying with Rule 862(5) of the listing manual of the SGX-ST (the "**Listing Manual**"). Rule 862(5) of the Listing Manual requires the payment date for a Distribution under the DRP to be made not less than 30 Market Days¹ but not more than 35 Market Days after the Books Closure Date² in respect of such Distribution. The Waiver is subject to the following conditions:

- (a) Far East H-Trust announcing the Waiver granted, the reasons for seeking the Waiver and the conditions as required under Rule 107 of the Listing Manual;
- (b) submission of a written confirmation from Far East H-Trust that the Waiver does not contravene any laws and regulations governing Far East H-Trust and the trust deeds constituting Far East H-REIT and Far East H-BT, and the stapling deed entered into between the Managers and DBS Trustee Limited, as amended, varied or supplemented from time to time, each of which is dated 1 August 2012 (the "**Deeds**");
- (c) agreement by The Central Depository (Pte) Limited ("**CDP**") to the shortened timetable in respect of any distribution payment where the duration between the Books Closure Date and the distribution payment date is less than 30 Market Days; and
- (d) there being five (5) clear Market Days between the announcement giving notice of the Books Closure Date and the Books Closure Date, to give Stapled Securityholders sufficient notice of corporate action.

The application for the Waiver was made on the following grounds:

- (a) the Managers are unable to comply with Rule 862(5) of the Listing Manual due to the distribution payment requirement set out in the Deeds which provides that the date of payment of the Distribution must be a Market Day no later than 90 calendar days from the end of the relevant distribution period;
- (b) there is no certainty that the Managers will be able to obtain Stapled Securityholders' approval for an amendment to the Deeds which would allow Far East H-Trust to make its distribution payment at a later date in order to comply with Rule 862(5) of the Listing Manual; and

¹ "**Market Day**" means a day on which the SGX-ST is open for trading in securities.

² "**Books Closure Date**" means the date on which the Register of Stapled Securityholders will be closed for the purpose of determining the entitlement of Stapled Securityholders to a Distribution.

- (c) the Managers understand that from an operational point of view, CDP has no objections to a shorter timeline where the Distribution is made less than 30 Market Days from the Books Closure Date, and the Managers do not envisage that Stapled Securityholders would be prejudiced by the shorter timeline.

1. DISTRIBUTION REINVESTMENT PLAN STATEMENT

This Distribution Reinvestment Plan Statement (the "**Statement**") contains the terms and conditions of the Far East Hospitality Trust Distribution Reinvestment Plan (the "**Distribution Reinvestment Plan**") under which persons registered in the Register of Stapled Securityholders (as defined in paragraph 4.2 below), or as the case may be, the Depository Register (as defined in paragraph 4.2 below) as holders (the "**Stapled Securityholders**") of such stapled securities (the "**Stapled Securities**") in Far East Hospitality Trust ("**Far East H-Trust**") may elect to receive fully paid new stapled securities (the "**New Stapled Securities**") in Far East H-Trust in lieu of part only or all of the cash amount of any distribution (including any interim, final, special or other distribution) (the "**Distribution**") which is declared on the Stapled Securities held by them (after the deduction of applicable tax, if any).

Singapore Exchange Securities Trading Limited (the "**SGX-ST**") assumes no responsibility for the correctness of any of the statements or opinions made or reports contained in this Statement.

2. SUMMARY OF MAIN FEATURES

The Distribution Reinvestment Plan provides Stapled Securityholders with the option to elect to receive New Stapled Securities in lieu of part only or all of the cash amount of any Distribution declared on their holding of Stapled Securities (after the deduction of applicable tax, if any), subject to the terms and conditions of the Distribution Reinvestment Plan.

Under the present law in Singapore, there is no brokerage or other transaction costs payable by Participating Stapled Securityholders (as defined in paragraph 4.2 below) on New Stapled Securities allotted and issued under the Distribution Reinvestment Plan.

All Stapled Securityholders are eligible to participate in the Distribution Reinvestment Plan subject to the restrictions on Overseas Stapled Securityholders (as defined in paragraph 4.2 below), more particularly described in paragraph 4.4 below, and except for such other Stapled Securityholders or class of Stapled Securityholders as FEO Hospitality Asset Management Pte. Ltd., as manager of Far East Hospitality Real Estate Investment Trust (the "**REIT Manager**") and FEO Hospitality Trust Management Pte. Ltd., as trustee-manager of Far East Hospitality Business Trust (the "**BT Trustee-Manager**", and together with the REIT Manager, the "**Managers**"), may in their discretion decide.

Stapled Securityholders may elect to participate in respect of, as may be determined by the Managers in their discretion, all or part of their holding of Stapled Securities to which each Notice of Election (as defined in paragraph 4.2 below) relates in respect of any Qualifying Distribution (as defined in paragraph 4.2 below).

Stapled Securityholders receiving more than one (1) Notice of Election may elect to participate in respect of all or part of their holding of Stapled Securities to which one (1) Notice of Election relates and elect not to participate in respect of all or part of their holding of Stapled Securities to which any other Notice of Election relates.

The Managers may, at their discretion, provide Stapled Securityholders with the option of making a permanent election to receive New Stapled Securities in respect of their entitlements to all future Qualifying Distributions, to which each Notice of Election relates. Stapled Securityholders should note that there is presently no permanent election feature available under the Distribution Reinvestment Plan and the Managers will make an announcement containing the relevant details should they choose to offer this feature to Stapled Securityholders in the future.

The Managers may, in their absolute discretion, determine that the Distribution Reinvestment Plan will apply to any particular Distribution. An announcement will be made by the Managers as soon as practicable following the determination by the Managers that the Distribution Reinvestment Plan is to apply to a particular Distribution, and in any event, by no later than the next Market Day (as defined in paragraph 4.2 below) immediately following the Books Closure Date (as defined in paragraph 4.2 below) in respect of the particular Distribution (or by such other time as required or permitted by the Listing Manual (as defined in paragraph 4.2 below)). Unless the Managers have determined and announced that the Distribution Reinvestment Plan will apply to any particular Distribution, the Distribution concerned will be paid in cash to the Stapled Securityholders in the usual manner.

The New Stapled Securities to be allotted and issued under the Distribution Reinvestment Plan will rank *pari passu* in all respects with the existing Stapled Securities then in issue save only as regards to participation in the Qualifying Distribution which is the subject of the election (including the right to make any election pursuant to the Distribution Reinvestment Plan) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the Qualifying Distribution which is the subject of the election, unless the Managers otherwise specify.

Stapled Securityholders participating in the Distribution Reinvestment Plan will receive, on or about each Distribution Date (as defined in paragraph 4.2 below) of a Qualifying Distribution, notification letters setting out, *inter alia*, the number of New Stapled Securities allotted to them under the Distribution Reinvestment Plan.

The listing of and permission to deal in New Stapled Securities issued to Stapled Securityholders under the Distribution Reinvestment Plan on the Main Board of the SGX-ST is subject to the approval of the SGX-ST.

3. HOW TO PARTICIPATE

Participation in the Distribution Reinvestment Plan is optional and not transferable.

An eligible Stapled Securityholder wishing to receive New Stapled Securities in respect of any Qualifying Distribution to which a Notice of Election received by it relates should complete the

Notice of Election and return it, no later than the date and time to be specified by the Managers in respect of the Qualifying Distribution, to the unit registrar of Far East H-Trust, Boardroom Corporate & Advisory Services Pte. Ltd. (the "**Unit Registrar**") at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355) (or such other address as may be announced by the Managers from time to time).

An eligible Stapled Securityholder receiving more than one (1) Notice of Election and wishing to receive New Stapled Securities in respect of all of its entitlement to the Qualifying Distribution in respect of all of its holding of Stapled Securities must complete and sign all Notices of Election received by it and return the completed and signed Notices of Election, no later than the date and time to be specified by the Managers in respect of the Qualifying Distribution, to the Unit Registrar at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355) (or such other address as may be announced by the Managers from time to time).

To be effective in respect of any Qualifying Distribution to which a Notice of Election relates, such duly completed and signed Notice of Election must be received by the Unit Registrar, no later than the date and time to be specified by the Managers in respect of that Qualifying Distribution. The Unit Registrar's records of the level of a Stapled Securityholder's participation will be conclusive evidence of the matters so recorded.

By submitting a Notice of Election, a Stapled Securityholder consents to the collection, use and disclosure of the Stapled Securityholder's personal data as contained in the Notice of Election and/or any other notice or communication given or received pursuant to the Distribution Reinvestment Plan, and/or which is otherwise collected from the Stapled Securityholder (or its authorised representatives) by each of Far East H-BT, Far East H-REIT and/or the Managers and/or any agent of any of the foregoing (each a "**Recipient Entity**" and collectively, the "**Recipient Entities**"), for all purposes in connection with the purpose of the processing and administration by the Recipient Entities of the Distribution Reinvestment Plan or other ancillary purposes, and in order for any of the Recipient Entities to comply with any applicable laws, listing rules, regulations and/or guidelines (the "**Permitted Purposes**"). The Stapled Securityholder further authorises the Recipient Entities to disclose such data to (a) the Managers' authorised representatives for all purposes in connection with any internal analysis, implementation of corporate actions and investor relations communications; and (b) the following persons and their authorised representatives, for any of the Permitted Purposes: (i) the Unit Registrar and its related corporations; (ii) The Central Depository (Pte) Limited (the "**CDP**") and its related corporations; (iii) the Stapled Securityholder's bank by whom the Stapled Securityholder's bank account is maintained for direct crediting (if applicable) and its related corporations; and (iv) any third party with whom the Unit Registrar, CDP or any of their related corporations has service arrangements. The Stapled Securityholder also warrants that where it discloses the personal data of third parties to the Recipient Entities in connection with the Distribution Reinvestment Plan, it has obtained the prior consent of such third parties for Recipient Entities to collect, use and disclose their personal data for the abovementioned Permitted Purposes, in accordance with any applicable laws, regulations and/or guidelines.

4.4 Stapled Securityholders Resident Outside Singapore

The New Stapled Securities to be allotted and issued under the Distribution Reinvestment Plan have not been, and will not be, registered under the U.S. Securities Act and may not be offered, sold or resold in the United States or to, or for the account or benefit of, any U.S. person, except in a transaction not subject to or exempt from the registration requirements of the U.S. Securities Act and the securities laws of any state or other jurisdiction in the United States.

Furthermore, for practical reasons and to avoid any violation of the securities laws applicable in countries outside Singapore where Stapled Securityholders may have their registered addresses, the Distribution Reinvestment Plan may, at the discretion of the Managers, not be offered to Overseas Stapled Securityholders. No Overseas Stapled Securityholder shall have any claim whatsoever against Far East H-REIT, Far East H-BT, the Managers, the Unit Registrar or CDP as a result of the Distribution Reinvestment Plan not being offered to such Overseas Stapled Securityholders. If the Managers have decided not to offer the Distribution Reinvestment Plan to Overseas Stapled Securityholders, Overseas Stapled Securityholders who receive or come to have in their possession this Statement and/or a Notice of Election may not treat the same as an invitation to them and are advised to inform themselves of, and to observe, any prohibitions and restrictions, and to comply with any applicable laws and regulations relating to the Distribution Reinvestment Plan as may be applicable to them.

Stapled Securityholders with registered mailing addresses outside Singapore as at the relevant Books Closure Date for a Distribution and who wish to be eligible to participate in the Distribution Reinvestment Plan should provide an address in Singapore for the service of notices and documents to (i) (in the case of Overseas Stapled Securityholders who are Depository Stapled Securityholders) The Central Depository (Pte) Limited, 11 North Buona Vista Drive, #06-07 The Metropolis Tower 2, Singapore 138589 or (ii) (in the case of Overseas Stapled Securityholders who are Non-Depository Stapled Securityholders) the Managers c/o the Unit Registrar at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (or, in either case, such other address as may be announced by the Managers from time to time), not later than three (3) Market Days prior to the Books Closure Date (or such other cut-off date as the Managers may determine). Stapled Securityholders should note that all correspondences and notices will be sent to their last registered mailing addresses with CDP (in the case of Overseas Stapled Securityholders who are Depository Stapled Securityholders) or the Unit Registrar (in the case of Overseas Stapled Securityholders who are Non-Depository Stapled Securityholders). Stapled Securityholders who are subject to the laws and regulations of jurisdictions outside Singapore shall, in participating in the Distribution Reinvestment Plan, be deemed to have complied with all applicable legal and regulatory requirements of the relevant jurisdictions.

4.5 Level of Participation

A Stapled Securityholder may elect to participate in the Distribution Reinvestment Plan in respect of all or, at the discretion of the Managers, part only of its holding of Stapled Securities as at the relevant Books Closure Date to which each Notice of Election received by it relates for a Qualifying Distribution.

4.6 Notice of Election to Participate

The Managers will, at their discretion, send (or arrange to be sent) to each eligible Stapled Securityholder one (1) or more Notices of Election.

To be effective in respect of any Qualifying Distribution, a Notice of Election duly completed and signed by the relevant Stapled Securityholder (in accordance with the instructions stipulated by the Managers) must be received by the Unit Registrar by the date and time to be specified by the Managers in respect of that Qualifying Distribution. A Stapled Securityholder receiving two (2) or more Notices of Election may elect to receive New Stapled Securities in respect of its entitlement to which one (1) Notice of Election relates and decline to receive New Stapled Securities in respect of its entitlement to which any other Notice of Election relates.

A Stapled Securityholder receiving two (2) or more Notices of Election and wishing to receive New Stapled Securities in respect of all of its entitlement to the Qualifying Distribution in respect of all its holding of Stapled Securities must complete and sign all the Notices of Election received by it (in accordance with the instructions stipulated by the Managers) and return the completed and signed Notices of Election, no later than the date and time to be specified by the Managers in respect of the Qualifying Distribution, to the Unit Registrar at 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623 (Telephone number: +65 6536 5355) (or such other address as may be announced by the Managers from time to time).

A Notice of Election to participate in the Distribution Reinvestment Plan in any other form will not be accepted by the Unit Registrar. If a Notice of Election is received after the date and time specified by the Managers for the receipt of such Notices of Election for any particular Qualifying Distribution, the Notice of Election will not, unless otherwise determined by the Managers, be effective for that Qualifying Distribution.

A Notice of Election in respect of any Qualifying Distribution shall not, upon its receipt by the Unit Registrar, be withdrawn or cancelled.

If the Notice of Election submitted by a Stapled Securityholder is not in order or has not been completed and signed in accordance with the instructions stipulated by the Managers, such Stapled Securityholder will receive its entitlement to the Qualifying Distribution in cash (unless the Managers have specifically determined otherwise).

The Managers are under no obligation to correct invalid Notices of Election on behalf of any Stapled Securityholder or to provide any reason for rejecting any Notice of Election.

By electing to participate in the Distribution Reinvestment Plan, the Participating Stapled Securityholder unconditionally:

- (a) warrants to the Managers that it has the legal right and full power and authority to participate in the Distribution Reinvestment Plan and that its participation in the Distribution Reinvestment Plan will not result in a breach of any laws or regulations;
- (b) acknowledges that the Managers may at any time in their discretion determine that the Participating Stapled Securityholder's Form is valid, even if the relevant Form is incomplete, contains errors or is otherwise defective;
- (c) acknowledges that the Managers may in their discretion reject any Form;
- (d) acknowledges that the Managers have not provided the Participating Stapled Securityholder with investment or other advice and that the Managers do not have any obligation to provide any advice in connection with the Distribution Reinvestment Plan;
- (e) agrees to these Terms and Conditions and agrees not to do any act or thing which would be contrary to the intention or purpose of the Distribution Reinvestment Plan; and
- (f) submits to the jurisdiction of the Singapore courts,

in each case, at all times until termination of the Distribution Reinvestment Plan or of the Participating Stapled Securityholder's participation in the Distribution Reinvestment Plan.

4.7 Extent of Application of Distribution Reinvestment Plan to Each Distribution

The Managers may determine, in their absolute discretion, in respect of any Distribution, whether the Distribution Reinvestment Plan shall apply to such Distribution. If, in their absolute discretion, the Managers have not determined that the Distribution Reinvestment Plan is to apply to a particular Distribution, such Distribution shall be paid in cash to Stapled Securityholders in the usual manner notwithstanding their elections under the Distribution Reinvestment Plan.

4.8 Stapled Security Entitlement

By electing to participate in the Distribution Reinvestment Plan in respect of any Notice of Election received by it, a Participating Stapled Securityholder elects in respect of any Qualifying Distribution (after the deduction of any applicable tax) to which such Notice of Election relates to receive Stapled Securities in lieu of the cash amount of the Qualifying Distribution.

In respect of any Qualifying Distribution, the number of New Stapled Securities to be allotted and issued to the Participating Stapled Securityholder electing to receive New Stapled Securities in respect of a Notice of Election shall be calculated in accordance with the following formula:

$$N = \frac{(U \times D_1) - (U \times D_1 \times T)}{V} + \frac{(U \times D_2)}{V} + \frac{(U \times D_3)}{V} + \frac{(U \times D_4)}{V}$$

(each dollar amount in the numerator rounded to the nearest two (2) decimal places, and the final calculation for each component to be rounded down to the nearest whole Stapled Security)

Where:

- N = the number of New Stapled Securities to be allotted and issued as fully paid to the Participating Stapled Securityholder in respect of such Notice of Election.
- U = the number of Participating Stapled Securities held by the Participating Stapled Securityholder as at the Books Closure Date for which such Notice of Election relates.
- D₁ = the taxable income component of the Qualifying Distribution to which such Notice of Election relates.
- D₂ = the tax-exempt income component of the Qualifying Distribution to which such Notice of Election relates.
- D₃ = the capital component of the Qualifying Distribution to which such Notice of Election relates.
- D₄ = the other gains component of the Qualifying Distribution to which such Notice of Election relates.
- T = the applicable income tax rate.

Participating Stapled Securityholders who are Depository Stapled Securityholders will have the New Stapled Securities credited to their Securities Accounts maintained with CDP. Participating Stapled Securityholders who are Non-Depository Stapled Securityholders will receive confirmation notes confirming the number of New Stapled Securities issued to them.

4.10 Odd Lots

(1%) of the voting

rights of Far East H-Trust by participating in the Distribution Reinvestment Plan in relation to any Qualifying Distribution.

Stapled Securityholders who are in doubt as to whether they would incur any obligation to make a take-over offer under the Take-over Code as a result of any acquisition of Stapled Securities through their participation in the Distribution Reinvestment Plan are advised to consult their professional advisers and/or the Securities Industry Council of Singapore at the earliest opportunity.
