DECLARATION FOR SINGAPORE TAX PURPOSES

1. For Singapore income tax purposes, the components making up a Stapled Security are recognised separately, i.e. as one Far East H-REIT unit and one Far East Hospitality Business Trust ("**Far East H-BT**") unit. Accordingly, distributions from Far East H-Trust are recognised separately as distributions from Far East H-REIT and distributions from Far East H-BT for the purpose of determining the applicable Singapore tax treatment.
2. For taxable income distribution from Far East H-REIT, tax will be deducted at source in certain circumstances. The following paragraphs describe the circumstances in which tax will or will not be deducted from such distribution.
3. The following categories of Stapled Securityholders will receive a gross distribution (i.e. no tax will be deducted from it):-

 5. These categories of Stapled Securityholders, unless they are exempt from tax because of their own circumstances, will have to pay income tax subsequently at their own applicable tax rates.
 6. Stapled Securityholders in category (a) under Paragraph 3 above are not required to submit any form. The gross distribution received by these Stapled Securityholders (irrespective of their tax residence status) is exempt from tax if it is not derived through a partnership in Singapore or from the carrying on of a trade, business or profession. Where the distributions are received by such Stapled Securityholders through a partnership in Singapore or from the carrying on of a trade, business or profession, such Stapled Securityholders must declare the distributions received as income in their Singapore income tax returns.
 7. Tax at the reduced rate of 10 per cent. (10%) will be deducted from the distribution made to foreign non-individual Stapled Securityholders. A foreign non-individual Stapled Securityholder is one (other than an individual) who is not a resident of Singapore for income tax purposes and:-
